FELL & FORGE

Find your UK ring size

Print on A4 at 100% or Actual Size. Turn off Fit to page.
Check the 50 mm mark with a ruler each time. Reprint if the mark is off.
Lay a round ring that fits the intended finger flat over the circles.
Match the inside edge of your ring to the inside edge of a printed circle.

50 mm

Measure between the two end marks.

A wider band may feel tighter. Check with a jeweller if you're between sizes.
